

## EXTENDED GRADUATION DEADLINE

### ACADEMIC YEAR 2020/2021

According to legislative decree 12/24/2021 (Proroga dello stato di emergenza nazionale e ulteriori misure per il contenimento della diffusione dell'epidemia da COVID-19), the deadline of academic year 2020/21 has been delayed to June 15th 2022.

Therefore it's possible to defend a master thesis in Materials Science and graduate until June 15th for academic year 2020/21.

This extended degree session is only available for:

- students who are regularly enrolled for academic year 2020/21 at the second year
- students who are irregularly enrolled for academic year 2020/21, if they haven't made any change in their career plan.

**Students belonging to the second group will get the refund of the fees 2021/22, if already paid, according to Regolamento tasse e contributi.**

### WARNING

**Students enrolled for the second year in 2021/22 are not allowed to graduate in this extended degree session.**

### Thesis submission deadlines

Graduating application documents (MyUnito): from March 21st to 31st

Thesis online publication (receipt): maximum 10 days before graduation day

**Curricular exams (only for students who have applied for this extended degree sessions) can be registered from 20 April to 13 May.** The exams will be defined by the teacher after receiving a request from the students.

For further information please write to didactic manager Elisabetta Buzzoni:  
[elisabetta.buzzoni@unito.it](mailto:elisabetta.buzzoni@unito.it)

The email subject must be: extended degree session 2020/2021

### **Before applying do mind carefully:**

- To assess responsibly the real possibility of taking all the missing exams; the indication given by the degree course is that to access the extraordinary degree session the student still has to take a maximum of **2 exams (including the internship laboratory) for a maximum of 24 CFU**

- Are you really going to complete your master thesis? Check the progress of the work with your Supervisor.
